# 6160CR

**Commercial Fire Alpha Keypad**

The 6160CR is an addressable remote keypad intended for use in commercial fire applications with ADEMCO's control platforms. The keys are continuously backlit for convenience and easy visibility. The LCD display is backlit only when a key is depressed*, or when the system is in alarm or trouble condition.

*Note: On some platforms, the LCD may be programmed to remain on at all times (see panel instructions for details).*
